

To all interested and concerned parties:
I, born on the Mid Summer Solstice 1967,
"Sui Juris", and Christened Mark-Graham of
the family Etherton, hereby lawfully serve:

Public Notice of Understanding and Intent and Claim of Right.

Whereas it is my understanding that the
United Kingdom is a common law jurisdiction,
and, whereas it is my understanding that
equality before the law is paramount and
mandatory.

Whereas it is my understanding that Legalese
is a "body of words" or language, and,
whereas it is my understanding that upon
my birth, with neither my knowledge nor
consent a "legal fiction" was created known
as a "person".

Whereas it is my understanding that I, the
man, being of divine creation and blessed
with "living spirit", have the common law
right to choose the name by which I go, and,
whereas it is my understanding that in order
to differentiate and discern between the "legal
fiction" and the divinely created spirit which
I am, I hereby abandon recognition of my
former name and from this day forth shall
be commonly called "Dream" or "Lord Dream"
(Lord meant merely as a job description and
NOT a "Title"). Furthermore, when addressed
in writing, no title (such as Mr.) or
capitalisation of the name or abbreviation of
the name will be recognised as My Self.

Whereas it is my understanding that the
"person" and "Legal Fiction" Mr. MARK
GRAHAM ETHERTON and it's derivatives (Mr.
M.G. Etherton etc.) continue to exist purely
for the facilitation of the functions of
commerce, I claim and reserve all rights not
to recognise or contract with any parties
claiming this fiction to be My Self. It is my
understanding that I am a "3rd party with an
interest", bound only by common law and
NOT statutory law applied to the person.

Furthermore, I as Lord Dream recognise my
sole role is that of Philosopher, Truth-Seeker
and Questioner and recognise no other
obligations, duties or demands made upon
me.

This is my statement of truth, in peace and
solemnity.

Dream.
